DEDICATION

This thesis is dedicated to:

1. Especially for my mother, Samini, my heaven, my soulmate, the echo of every heartbeat I carry in silence. Though your prayers no longer rise with the morning sun, I feel them still, lingering in the winds that push me forward. You left without farewell, yet I know you never meant to leave me with this ache of unfinished words. If love could build a bridge, I would walk it just to tell you that every tear, every triumph, every sleepless night was for you. This thesis, though far too late to place in your hands, is my whisper to the skies: I made it, Mom, and it's all for you.
2. This thesis is lovingly dedicated to my father, Winarno, the man who has treated me like a princess every single day of my life. With quiet strength and endless patience, he has given his all to make sure I never lacked anything, not love, not support, not the chance to chase my dreams. He never once let me feel the weight of sacrifice he bore behind the scenes, always placing my happiness above his own. Everything I am today is shaped by his unwavering love, silent prayers, and tireless efforts to turn my hopes into reality. Thank you, for making me feel like the most cherished daughter in the world.
3. To Miss Hesty Puspita Sari, M.Pd and Miss Yusniarsi Primasari, M.Pd, I extend my deepest gratitude for your invaluable guidance, constructive feedback, and continuous support throughout the process of writing this thesis. Your professionalism, patience, and dedication have greatly contributed to the timely and successful completion of this work.

4. To my beloved family, thank you for being my unwavering source of strength, love, and light. In every step of this journey, your prayers lifted me, your words encouraged me, and your presence reminded me that I was never alone. Through the chaos and silence, your support remained constant. This thesis is not only mine, it belongs to all of you who stood behind me, believing when I couldn't believe in myself. I am endlessly grateful, and I hope this small achievement makes you proud.
5. My PBI classmates who have accompanied me in this thesis, so many things we passed together. Thank you for your support and warmth so that I can enthusiastically complete this thesis.
6. To myself, thank you for not giving up, even when everything in you wanted to. For enduring the long nights, the quiet breakdowns, and the weight of expectations. You kept going through doubt, fatigue, and fear, choosing growth over comfort, and faith over fear. This thesis is not just a culmination of knowledge, but a testament to your strength, resilience, and unspoken courage. Be proud, you made it through, and you made it whole.
7. To my dearest friends, thank you for being my safe place when the world felt too heavy to bear. For the laughter that healed, the hugs that comforted, and the presence that never asked for anything in return. You stood by me not only in joy, but also in silence, in tears, and in doubt. This thesis belongs to you, too. To those who believed in me, listened without judgment, and stayed even when I didn't know how to ask for help. I am endlessly grateful to be surrounded by a friendship as beautiful as yours.

MOTTO

فَإِنَّ مَعَ الْعُسْرِ يُسْرًا

"Indeed, with hardship comes ease."

(Surah Al-Inshirah, 94:6)

Even in times of deep loss and uncertainty, ease will come-perhaps not immediately, but with faith, patience, and time.
