MOTTO

"Life is either a daring adventure or nothing at all Security is mostly a superstition It does not exist in nature, nor do the children of men as a whole experience it. Avoiding danger is no safer in the long run than outright exposure Life is either a daring adventure or nothing."

(Helen Keller)

"Maybe I make a mistake yesterday, but yesterday's me is still me I am who I am today, with all my faults Tomorrow I might be a tiny bit wiser, and that's me, too These faults and mistakes are what I am, making up the brightest stars in the constellation of my life I have come to love myself for who I was, who I am, and who I hope become"
